

Senior Consultant - London

Our Senior Consultants are trusted advisors who help organizations develop and improve their leadership capability, and make more effective, strategic decisions about their talent. PDI Ninth House partners with large global organizations to solve a wide range of leadership challenges. Supported by the most rigorous research and extensive normative data, our solutions have proven to be among the most effective in the industry

Our Professional Services Group is looking to add senior consultant talent to deliver services in the U.K. This position is physically located in our London Office. Successful candidates will have demonstrated experience with selection and development assessments, as well as feedback and coaching experience. Must have strong business acumen, a passion for providing a variety of consulting services for clients, and a general understanding of being able to work within a sales process.

JOB RESPONSIBILITIES

Depending on business needs, this position will provide consulting services with executives and mid-level leaders in several of the following areas:

- Deliver leadership development offerings to executives and business unit leaders to include: assessments, 360 feedback, coaching, team building, off-site facilitation.
- Build integrated talent management systems applying skills in psychology to help clients develop the leadership talent they need to achieve their business objectives.
- As needed, this role will partner with Sales staff during client meetings, in some instances the Senior Consultant role has potential to be engagement manager for a client. Will serve as “go to” person for assigned client engagements.

This position will also be expected to:

- Have expertise in translating consulting abilities to systemic business results.
- Be a trusted advisor to mid-level and executive leaders of client organizations.
- Support European and Global client projects within the U.K. and wherever the work is.

EXPERIENCE AND EDUCATION REQUIREMENTS

- 5+ years of industry experience in a professional services firm focusing on talent management and/or leadership development plus 5+ years of experience in an applied business setting (public sector preferred).
- Advanced degree in counseling, clinical or I/O psychology or related disciplines. An MBA with significant relevant experience will be considered.
- Experience conducting assessments, executive coaching, providing 360-degree feedback, developing competency models, and consulting on succession planning and talent management.

Senior Consultant

- Experience interacting credibly with business leaders and managing client engagements.
- Considerable energy and passion for the consulting profession

COMPETENCIES

- Creativity and motivation to partner with clients to solve problems
- Excellent customer service orientation
- High degree of business acumen
- Outstanding influence skills at executive levels
- Initiative and results orientation
- Ability to work effectively with people from multiple locations and cultures
- Demonstrated interest in continuous learning and professional growth
- Flexibility
- Excellent written and verbal communication skills
